WORKHORSE AWARD
NC ASHRM 2008

Please participate in the Chapter awards program by considering your colleagues for nomination. It's a great opportunity for the Chapter to support and applaud the special efforts of healthcare risk management professionals.

The **Workhorse Award** recognizes individuals who have contributed to the chapter in ways that are apart from their service as a Board member or Committee chairperson. The Professional Development Committee is looking for nominations of those members whose contributions to the chapter reflect unusual and outstanding efforts. This award is not based on professional designations or qualifications, but on a member's devotion to the work of the chapter.

The completed Nomination Form must be returned to Lee Ann Scott, Chair of the Professional Development Committee, postmarked or faxed on or before October 31, 2008.
